

TEST SHOOT MOODBOARD

Athens, *in the sun.*

30 September – 2 October 2026

Natural-light portraits on location, shot on 35mm film and digital. Warm stone, whitewashed walls, hard Greek sun, the sea at the edge of the city. Simple styling. The model should look like herself, only a little more.

01 · OLD CITY

Sun on stone

Plaka and Anafiotika lanes, Philopappou Hill paths, old marble and limestone walls, doorways and stairs. Morning light, hard shadows, bare skin tones.

02 · ATHENS RIVIERA

Rocks & sea

Vouliagmeni and Kavouri rocks, Limanakia coves, Cape Sounion if time allows. Late-afternoon light over the water, wind in the hair, a dress or swimwear.

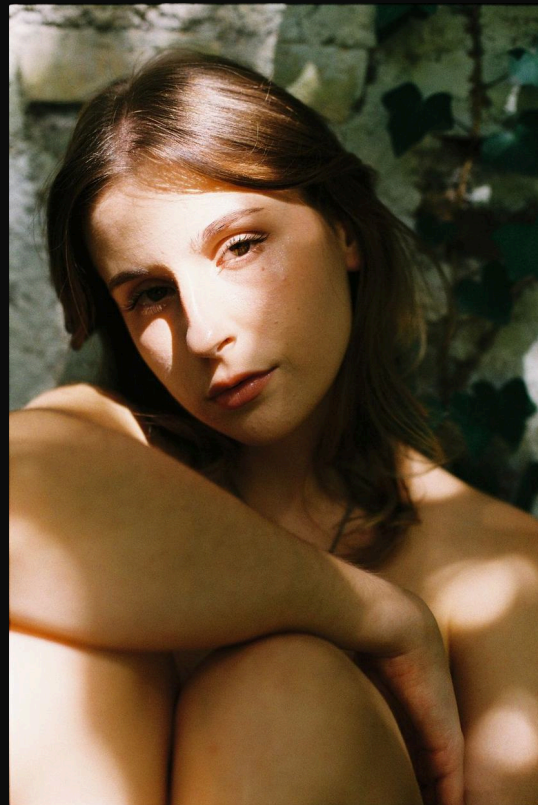

03 · PORTRAITS

Close

Clean beauty and headshots for the book: open shade in Koukaki and Thiseio, golden hour on Lycabettus, window light indoors. Minimal make-up, natural hair.

04 · THE PLAN

How it works

EACH SHOOT

- 60 to 90 minutes, 2 or 3 looks
- One location, or two close together
- Mornings 08:00–11:00 or late afternoon 16:30–19:00

WARDROBE

- From the model's own wardrobe
- A slip or summer dress, white shirt, denim, a swimsuit
- Neutrals, whites, one strong colour

THE MODEL GETS

- Edited images from film and digital
- Free to use for their book, the agency site and social
- No fee in either direction
